Real video with the invisible body of the God. Video made by our creator, our God. In this video code, has been recorded, the invisible body of the God. The video code Eternal Infinite Order.

On November 14, 2011, God and I, have mixed 835 tarot cards. Videotaped. After mixing them, I placed them between two bottles. Then from a distance of four meters, with my eyes closed, I moved towards the tarot cards, and stuck the knife, exactly in the tarot card, which represents God. Only on one tarot card, the word "creator" is written. God took my hand, and led the tip of the knife, exactly in the tarot card, with the writing creator. Synonym god. He stuck the tip of the knife, exactly in the edge of the tarot card, on the right side of the tarot card, at the level of the sphere. Romania country, RomaN city, Roma city, Milan city, SanNio street, EnNio street, SanZio street, TreNto square, etc. This is the maximum of paranormal, mystery, magic, unknown, etc, which exists in infinite time and space. I provide the internet address for downloading the details.

Telepathic remote guides. The attempted murder with the 15 cm cast iron scissors, in the right rib, around the age of 14. My mother was dressed in a sky blue sweater. She was sitting on the bed. She was sewing a coat. We were arguing. I was on her left side. With his back to the window. The apartment in Roman, Ion Creanga street. I jumped back, so she didn't stab me. It just cut my shirt and scratched my skin. I bled. I punched her.

On 14.11.2011, God put these words in my thoughts, through radiation, rays, and telepathy: "Welcome from dimension two one, to dimension one two. Farewell from dimension one two, to dimension, two three. Eternal Infinite Order." Message from God, for all souls from all infinite time and space. Out of 835 tarot cards, only one has the word creator written on it. Synonym for god. I stuck the tip of the knife, exactly in this tarot card. Exactly in the direction of God's right side. Direction to a light sphere. The creature that built the pyramids in Egypt, thousands of years ago, was stabbed in the right rib, then the creature Jesus Christ was also stabbed in the right rib, then I managed to save myself. I only got a scratch on my right rib.

I want more explanations, details, evidence, etc, about god, souls, unknown, paranormal, and these events, but I can't get more than that. Invisible creatures

drive us away through telepathy, radiation, rays, gases, spells, magic, films, money, threats, assassinations, mutilations, etc, from around these evidences, explanations, demonstrations, creatures, energies, etc. All the gods, souls, persons, creatures, etc, from all past infinite space, and from all future infinite space, have been, are and will remain sick by unknowable, inexplicable, paranormal, incredible, invisible, etc. We do not know what form has, the existence, infinity, etc. We cannot explain these invisible creatures, and these magical announcements and phenomena, from these video codes. We have too few explanations about these video phenomena, and about these invisible creatures. I don't get more than that. Unfortunately, the lies, misinformation, mistrust, unknown, chaos, etc, have managed to kill all the gods, souls, persons, creatures, etc, from all the infinite past space, and from all the infinite future space, living dead or unborn. The creator has resurrected them from the dead, in this video code. With these video codes, we can avoid the re-destruction and rebuilding of the existence, we can protect and free ourselves from lies, unknown, disinformation, death, hell, wars, misunderstanding, devils, assassins, swindlers, accomplices, victims, etc, etc.

The bottom of the broken glass, from the grass stepped on first, with one foot, by brother Petru Pavel Iacint, and then by me, on the right heel. Three cuts in the heel. The third of the right heel made by the cuts at the bottom of a broken bottle. Of pepsi or cola, hidden in the grass on the dam of the Siret river. Adjudeni village. The right bank of the river. Or string with a comma, under the letter s, means cunning. Siret River. Bad or good. Slipper laces. The word Siret, in the Romanian language, has three meanings. The word Nine has three meanings. The new shirt. We like eternity. Number nine. Video code 24999. I was around eight years old. We were barefoot. I was running away from the other children. I was running to the bathroom in the Siret river. First on the path of the dike. Because of the stone stings in the sole, we started to run through the grass. I left the path. Secrets and invisible creatures, hidden in words and letters. Brother Pietru Pavel Iacint first cut his toes. Then me.

On June 28, 2017, these invisible creatures made a trimalleolar fracture on my left leg, on the left bank of the Siret river, between Buruienesti and Sagna. I had 161616 km on the Ford Mondeo. The old owner was a monk named Christo de Vries. My child was then four years old. From the children's seat, from the back of the car, he took his picture alone, on his left leg. Lying on the empty chair in front of him. Cornelia was on his left. On the way to Romania from Italy. Before I break my ankle. He was telepathically guided. My father's mysterious murder, on July 13, 2012 at 6 o'clock in the hospital. Heart attack. C:F: Jesus Christ has SSS. C:F: mine has NNN. Three 3 cuts on the right leg, three 3 brothers before me. Three 3 broken ankles on the left leg, three 3 brothers after me. Seven brothers. 7. Between my birth on January 3, 1975, and video code 26662 from July 5, 2011, there are 13331 days. I was 36 years and 6 months old in 2011. I'm 175 cm tall. There are 13331 days until January 3, 2048. A total of 26662 days. The past the present the future.

I don't have everything I need at hand, in order to discover how many GSM, GPS, wifi, TV, radio, devices, etc, I have around me, and the data, words, images, radiation, rays and the information on which they transmit. Our creator built with great difficulty, in thousands of years, all the tools, information, energies, radiations, words, etc, to show us that he exists, that souls exist, that there is invisible life, etc. Visit the most intelligent, beautiful, useful, holy, powerful, etc, part of existence.
